

President's Message

As I reflect on 2020, Living Savior rose to meet the many challenges due to COVID-19. First and foremost, the Worship Team comprised of Pastor Lissy, Vicar Tim, Dr. Horton, Dr. Benson, and Candie Jefferson, and the Communication Team led by Dave Huxsoll, Habtu Mesfen, and Keith Meins, continued to provide worship opportunities in-person and on-line. Our preschool, led by Liz Smith, continued to minister to young children in-person, while keeping the children, teachers, and families safe. Their tireless efforts reflect their faith and commitment to Living Savior's mission to serve God so that the Holy Spirit may work through us to bring others to Christ.

As you think about 2021, I challenge you to think about how to serve our Lord. This newsletter highlights ongoing ministries and the impact(s) they have on the community. When an article tugs at your heart, or a program piques your interest, follow the call and ask how you can help. Our Lord came here to serve; I encourage everyone to do the same.
