As we move into the new year, it's a fitting time to reflect on the importance of Christian stewardship. Stewardship is more than just managing our material possessions; it's about dedicating our time, talents, and treasures to serve God and others. The Bible calls us to be faithful stewards in all aspects of our lives. Jesus taught that "where your treasure is, there your heart will be also" (Matthew 6:21). This verse reminds us that our investments-whether in time, energy, or resources-reflect our priorities and values. As we prepare for the Christmas season as well as the upcoming year, let's consider how we can align our personal commitments with God's call to help those in need, thus advancing His kingdom here on Earth.

The **Concordia Lutheran Church Food Pantry** (the Ark) serves our neighbors in Triangle, VA with food, clothing, household items, school supplies and more. Food and other donations may be left in the bins near Klein Hall. Financial donations should be designated "Concordia Food Pantry". Thank-you for your generosity to these ongoing needs. For more information contact randy.gaylor@gmail.com or bettycook@gmail.com.

Stewardship: Looking ahead to the New Year, now is a perfect moment to evaluate and renew our dedication to God's work. In these reflective months, let us seek ways to serve our communities, support our church ministries, and offer our time to those in need. Jesus illustrated the heart of stewardship in the Parable of the Talents (Matthew 25:14-30), where He encouraged faithful use of our gifts for His purposes. By embracing these principles, we can make a tangible difference in the lives of others, share the love of Christ, and deepen our own spiritual walk. Let's commit to honoring God with our time and resources, ensuring that our actions reflect His grace and generosity as we move into 2025.

Happy New Year, everyone! - We are excited to announce a new Adult Sunday School series starting Sunday, January 19th, on the topic of the End Times, facilitated by Jason Tolbert. This series will explore various Christian views and biblical interpretations of the "end times" doctrine and the second coming of Jesus. The sessions will take place in Klein Hall between services at 9:50 AM. We'll also examine how these perspectives compare with a Lutheran understanding of this doctrine. Everyone is welcome to join, and the series is structured so you can jump in at any time or miss a session without feeling left behind. If you have any questions, feel free to reach out to Jason Tolbert at jasontolbert@gmail.com.

Donations to Living Savior Lutheran Church to continue our ministry are always welcome. We accept online contributions which you can access through our website and going to the "Contribute Online Here" link at the bottom of our home page.
