"Stewardship Moments" are a way to share the good things you experienced in your life, not just what you have done for others, but more importantly what others and God's grace have done for you or those around you. Every Sunday, during the announcements after each service, Pastor Andy will ask if anyone wants to share a "Stewardship Moment." We can all learn and be inspired by one another's stories, and taking a moment to share a good experience is a great way to be reminded of the riches and gifts God provides in our lives. If you have something special to share where someone did something nice for you or you saw good stewardship in action, please think about sharing during our weekly "Stewardship Moments."

LSLC will hold a **spring workday** on Saturday, March 25th, 9:00 AM - 12:00 PM. Please reserve this time and help spruce up the church property before Easter. The church has the necessary equipment...bring your work gloves and join in. Thanks.

LSLC Youth Group is hosting a Spaghetti Supper at 6pm on Wednesday February 22, prior to the Ash Wednesday Service. Free will donations to the youth group will help offset costs of a summer Teen Servant Event in rural North Carolina.

Donations to Living Savior Lutheran Church to continue our ministry are always welcome. We accept online contributions which you can access through our website and going to the "Contribute Online Here" link at the bottom of our home page.
