Vicar's Message

By Vicar Scot

Greetings in Christ to the community of saints here at Living Savior! It has been a joy and a blessing to be so warmly welcomed into your congregation. Veronica and I have been touched by the outpouring of friendship and generosity upon our arrival in Virginia. We are especially looking forward to getting to know as many of you as we can throughout the year. I am hopeful that my vicarage year will be a year of learning and growth for me as I continue down the path of pastoral formation leading to full-time parish ministry. Throughout this year, I welcome your feedback and conversation and pray it will help me grow spiritually and emotionally as I prepare for the awesome responsibility of pastoral ministry. I am here to serve and learn and Living Savior has already provided me with many beneficial opportunities to do just that!

Part of my vicarage assignment is an outreach opportunity to students at George Mason University. This "campus ministry" aspect of my vicarage is something I am extremely excited about. Living Savior's connection, Bridges International, has already begun setting up events for the coming academic year and I am thrilled to be collaborating with them. Apart from our weekly worship together, I am also looking forward to opportunities to teach bible class and grow with you all as we engage with God's word and are fed by its richness and power.

I can already tell the time Veronica and I will spend here at Living Savior will be special and not just because of the addition to our family in February 2022 with the birth of our first child. I am excited to see how God works in and amongst you all as you live as the body of Christ in the world.

In Christ,

Vicar Scot
