

Living Savior Lutheran Church

September 2021 Newsletter

President & VP Message

By Steve Galing and Deb Malone

Labor Day weekend is historically the time we acknowledge the end of Summer and the beginning of Fall. Living Savior Lutheran Church celebrated the end of Summer by holding a picnic on Saturday September 4th, the first since the onset of the coronavirus in the Winter of 2019. 61 parishioners and friends enjoyed a wonderful afternoon with hamburgers, hotdogs, potluck dishes, fellowship, and a variety of games.

While everyone had a good time at the picnic, we remember the important events from this past summer. First, LSLC said farewell to Vicar Tim and welcomed Vicar Scot and his wife Veronica. Secondly, we said farewell to Liz Smith, our Preschool Director and long-time staff member, and welcomed Terri Kiss as the new director. Due to Liz's ability to secure two grants, we were able to paint the preschool rooms, replace the lights, and install vinyl tiles. These improvements will greatly improve our ability to deliver a high quality, Christ-centered educational program. Thirdly, Boy Scout Troop 1346 and Venture Crew 1346 are beginning to transition to LSLC. Their first big event: a campout on 10-12 September. We are excited about the opportunities to reach out to the community as the chartering organization. Lastly, we prepare to start the Fall with a vibrant Sunday School program for all ages.

We thank the many members who volunteer their time and talents. Without you, LSLC would not be able to achieve it's mission to reach the unchurched in our community and bring others to Christ. We encourage everyone to step forward and volunteer...every task is important, and no task is too small.

May God continue to bless you and your family.

In His Service,

Deb Malone and Steve Galing
