On-line services have become vital for many of our parishioners. In order to provide a high-quality worship experience, we need trained volunteers to run the cameras and audio systems. If you are interested, please contact Pastor, Dr. Horton, or the Communication Ministry Lead Habtu Mesfen at hmlh01@gmail.com

LSLC Voter's meeting will take place on Sunday Feb 19, 2023 at 9:45 am in Klein Hall.

We have returned to using lay crucifers at both in-person worship services. All lay people (men and women) middle-school age and older are welcome to serve as crucifers. All crucifers must complete a short training prior to serving - please contact Pastor Lissy.

"Stewardship Moments" are a way to share the good things you experienced in your life, not just what you have done for others, but more importantly what others and God's grace have done for you or those around you. Every Sunday, during the announcements after each service, Pastor Andy will ask if anyone wants to share a "Stewardship Moment." We can all learn and be inspired by one another's stories, and taking a moment to share a good experience is a great way to be reminded of the riches and gifts God provides in our lives. If you have something special to share where someone did something nice for you or you saw good stewardship in action, please think about sharing during our weekly "Stewardship Moments."

Donations to Living Savior Lutheran Church to continue our ministry are always welcome. We accept online contributions which you can access through our website and going to the "Contribute Online Here" link at the bottom of our home page.
