PASTOR'S MESSAGE

Isaiah 40 is a song about the greatness of God. It concludes with these wonderful words of reassurance and comfort telling us that even though he is the all-powerful God who “stretched out the sky like a curtain”, created the stars, and reduced powerful rulers to nothing, he is a God who touches the lives of people with his love and compassion.

Isaiah says: “Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.” (40:28-31).

I think have experienced what it is like when our own strength is exhausted. 2020- 2021 has certainly tested our stamina. There are those times when we are either emotionally, physically or spiritually drained, or perhaps all three at once. Isaiah uses words like “weary”, “tired”, “weak”, and “exhausted”. There comes a limit to what we can endure. Jesus talks about those who are “weak and carrying heavy-burdens”.

We can feel weary for all kinds of reasons. We feel weary because there is tension and uneasiness in our work place. We are weary from some kind of illness that seems to go on and on. We are tired and exhausted because there is some ongoing thing that is making us unhappy.

Isaiah is speaking to tired people. He tells us about a God who

reaches out and touches us in our tiredness and weariness. We read, "He strengthens those who are weak and tired.... Those who trust in the Lord for help will find their strength renewed. They will rise on wings like eagles; they will run and not get weary; they will walk and not grow weak."

God reaches out and touches our lives and gives us a strength that is beyond what we can muster up. There is strength in knowing that we don't have to go it alone, that we are never forgotten or ignored! We have a very special friend - Jesus - who watches over us at all times, care for us at all times, and who is open to having us come and speak to him in prayer at all times.

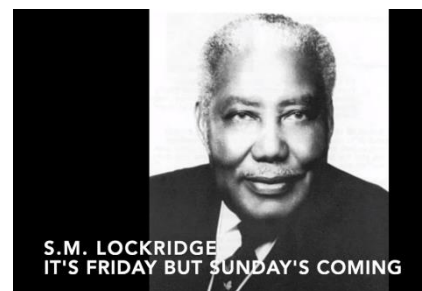

He loves us! He forgives us! He will stand by us! He gives us something to hang on to and somewhere to turn even in the darkest moments! As Isaiah said, "Those who trust in the Lord for help will find their strength renewed." Or as the apostle Paul said, "I have the strength to face all conditions by the power that Christ gives me" (Phil 4:13).

God's peace and strength be with you this month!

"IT'S FRIDAY BUT SUNDAY'S COMING"

March is one of those months that is difficult to categorize. It's not really Winter and it certainly isn't Spring! It can be 20 degrees outside or it can be 65 degrees. It can be gloomy and cloudy or it can show signs of sunshine and brightness. In most cases, it is a month that stretches out longer than we would like. Perhaps the

most accurate thing we can say about March is that it points the way to April!

In a way, that is what Lent is doing for us right now. Lent is pointing the for us to Easter, that glorious day when the clouds of despair disappear and the rays of God's hope and sunshine reveal themselves.

A number of years ago, the Rev. S.M. Lockridge, pastor of Calvary Baptist Church in San Diego, preached a brief three-and-a-half-minute sermon titled, ["It's Friday But Sunday's Coming."](#) In this short message but powerful message, Pastor Lockridge retells all of the events that took place on that first Good Friday, two thousand years ago. However, he doesn't stop with those events in Jesus' life. He always concludes with the hopeful phrase, " . . . But Sunday's Coming."

That's where we are. It's Lent, but Easter's coming! I encourage you to find "It's Friday But Sunday's Coming" on YouTube and listen to it. You will be blessed and encouraged in your Lenten journey.

God Bless You,

Dr. Wallach Horton, Minister of Worship & Music

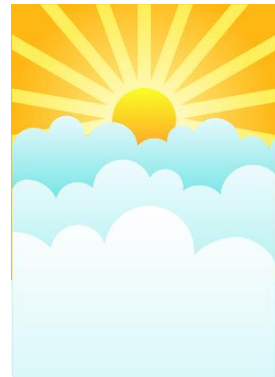

LSLC Endowment Fund - Make an Enduring Difference. Over fifteen years ago Living Savior Lutheran Church's Endowment Fund was created, thanks to a generous donation from the estate of Mary Sue Watkins. Since that time, the congregation has used the fund to further the mission of the ministry of Living Savior Lutheran Church and the Lutheran Church—Missouri Synod. Examples of projects for which the Endowment Fund has been used include: the new sanctuary,

purchase church equipment (e.g., cameras, audio visual), new church sign, lighting repair, and social ministry efforts. Please consider donating to the fund, to include incorporating the fund into your estate planning, in addition to your annual and weekly giving. For additional information please contact any of the Endowment Committee members (Bob Belch, Leon Debolt, Sid Heetland, or Keith Kaspersen). They will be organizing a seminar in the future for those who are interested.
