## PASTOR ANDY'S MESSAGE

"And whoever does not bear his cross and come after Me cannot be My disciple." (Luke 14:27)

Have you had to plan a wedding, yet? There is a lot of work and difficult decisions involved. Imagine the day of the wedding all the guests decline to attend, and offer frivolous reasons. How would you feel? Would you not speak to some of those people for a long while? Would you still wish to be their friend?

Jesus told a story about a king with the problem of these kind of friends. The excuses these fellows give are patently ridiculous. The men show they cannot plan or don't care about the king. Either way, the king is justified in sending the servant into the streets and alleys for guests. Jesus tells the parable because the Pharisees find many excuses not to follow Jesus. Now Jesus goes to the "tax collectors and sinners" to find people ready for God's kingdom.

Jesus tells the parable following to make the point. The cost of discipleship is high. Jesus is a leader who commanded only what He Himself was willing to do. In fact, he picked up his cross and carried it to the hill of Calvary so that we might belong to him forever. He paid the price for our sins on the cross. He dies so our death needn't frighten us. In fact, Jesus conquered death! Easter shows the Conqueror risen from death itself. We know the high cost is only temporary. we will see Jesus again. Then the cost will be worth every life and everything we've lost for the sake of the Gospel.

Like those early disciples who, by God's grace, were reinstated after their failures, we, too, are forgiven and renewed in mind and spirit to witness for our Savior!!

God's Peace this month,

Pastor Andrew C. Lissy

## Vicar Luke's Message

GMU Update October 2022

At Mason, ministry is beginning to grow as I look to build up a ministry that the campus has not seen since before Covid. Most of the students that were a part of this ministry have graduated, and so there is little to start with. However, I have had the pleasure of working with Bridges International as a starting point for a potential ministry. Bridges is an organization that focuses on bringing Spiritual conversations to specifically international students. I have met with their leaders a couple times in discussing the best ways to interact with international students. Also, every Wednesday I go to campus and each lunch with some international students, most of whom are Chinese. I hope that through these lunches and conversations, other ministry opportunities for the students will appear. I am currently looking at hosting a pumpkin carving day for some students on the back porch of the vicarage house at the end of this month. I hope the Lord continues to bless Mason and the campus ministry there.

## WORSHIP AND MUSIC MINISTRY

### LSLC WORSHIP CALENDAR

The end of the Church Year will be here before we know it. November 27 will mark the beginning of the new Church Year with the First Sunday of Advent. Prior to that we will observe the 505<sup>th</sup> Anniversary of the Protestant Reformation on October 30 at both Sunday services, All Saints Sunday on November 6, and Christ the King Sunday on November 20.

Mid-week services will commence on Thanksgiving Eve at 7:00 followed by three Wednesday Advent Evening Prayer services at 7:00 on November 30, December 7, and December 14.

“A Service of Lessons and Carols” will be held on the Fourth Sunday of Advent, December 18 at the 8:30 service. This service continues the beloved tradition started at Kings College, Cambridge over 100 years ago.

May God bless your worship as we come to the end of one Church Year and begin another.

Dr. Wallace Horton,

Minister of Worship & Music

## STEWARDSHIP

### From Nothing Comes Nothing

*(Chuck Froemke, Stewardship Ministry Lead)*

*From Nothing Comes Nothing* is a saying I often think of whenever I'm faced with something that needs or should be done, but requires commitment and effort on my part. Personal development relies on a stirring inside and movement toward a cause - whether finding and keeping a job, finishing academic study, or one's own personal walk with Christ. When it comes to church matters, going to church every Sunday and attending Adult Bible Study are good, but there are so many other ways to grow your faith and personal stewardship. On Sunday, *October 23<sup>rd</sup>*, Living Savior Lutheran Church will collect pledge forms where congregation members commit to their own personal growth and development. The pledge form has been expanded to give you more options to choose from, whether you select what you are already doing or if you want to get out of your comfort zone and try something new it's all there. The by-product of your personal commitment is that our church will have more people to share in the work of our ministries and help grow those that freely raise their hands and volunteer already. If you have not committed to a ministry or special event in the past, I encourage you to create something from something this year.

Look for the pledge forms attached to the bulletin for the next several weeks and also in an email that will go out before pledge Sunday. After the forms are collected during each service that day, the forms will be given to the financial secretary, where your financial commitment will be noted and remain confidential. The service portion of the form will be shared with ministry leads. Please take the time and reflect on your personal gifts and talents that enable your stewardship, your walk with Christ, and your commitment to grow your faith. Living Savior is providing you with an opportunity to challenge yourself this church year and completing the pledge form is an excellent way to commit to your overall growth and wellbeing. Please return your pledge form on October 23<sup>rd</sup> and let's make this a strong personal growth year.

## WHAT YOU CAN DO FOR OUTREACH

- Invite friends, family, neighbors to church events
- Greet visitors after service. Start with "I have not met you yet"
- Be willing to tell your faith stories

# OUTREACH

## Request for Outreach Greeters

When Cathi and I first moved to Virginia we visited two Lutheran Churches in the area. The first we visited church multiple times. However, no one came up to welcome us to the Church or even tried to engage us in a conversation.

The second church we visited was Living Savior. As soon as we were in the Narthex Pastor Andy came up to us and welcome us to the Church. We said we were looking for a church that not only took care of its members, but also was involved in Social Ministry to the community around them. Pastor Andy introduced us to Miki Kolton. She also made us feel welcome and explained all the wonderful things they were doing for the community. Cathi and I were impressed and felt very welcomed to the church.

As our personnel experience showed, first impressions make a huge difference on how visitors view our church.

Pastor Andy would like to personally welcome everyone to our Church, however because of constraints on his time (talking to current members, doing announcements, etc.) he cannot always spend enough time as he would like with visitors. At the 8:30 Service Pastor Andy will ask Ric, me, or other LSLC members to meet with the visitors, after the Service. We engage the visitors, answers any questions they may have, ask them to sign the guest register, give them a LSLC Welcome Bag, and if possible, introduce them to other LSLC Members. While this is working for the 8:30 Service Pastor Andy would like to have the same greeter options for the 11:00 Service.

**Ric and I are looking for volunteers to take these Greeter tasks at the 11:00 Service.** If you frequently attend the 11:00 Service, are you willing to be one of the greeters the Pastor can ask to help make visitors feel welcome at our Church? We are looking for multiple greeters so a person would not feel obligated to be at every 11:00 Service.

Please let Ric or I know if you are interested in filling this important greeter role and/or would like more information on it.

Ric Weyrick, Bob Willuweit

## Pledge Sunday – October 23<sup>rd</sup>

Stewardship is how we as Christians live our lives because of the security of our next life. We give freely not because we have to, but because we want to. There are many ways to share your gifts and talents as you continue on your stewardship journey and your own personal path to individual growth. Please consider committing to your continued growth in your walk with Christ and one another. On Pledge Sunday, personal stewardship pledge forms will be collected during both services. Look for pledge forms in the church bulletins prior to collection and by email. This year's POC is Chuck Froemke, [cbftwo@hotmail.com](mailto:cbftwo@hotmail.com)

Diners can participate as couples, singles, or single with a companion. The first dinner will be Saturday, November 19<sup>th</sup>. The start time is up to the

host/hostess, but is typically 6:00pm. If you would like to participate, please send an email to Steve Galing at [Steven\\_Galing@msn.com](mailto:Steven_Galing@msn.com) If you can host, please let him know.

# Preparing for Christmas Season

## Cathedral Brass Band - Saturday, December 3<sup>rd</sup>.

Living Savior will once again be hosting the amazing Christmas Concert featuring the Cathedral Brass Band. This event starts off with a Fellowship potluck in Klein Hall (around 5pm), then the concert and followed by a dessert

bar back in Klein Hall. It is a great event to invite your friends, family and neighbors to attend. For more information see Ric Weyrick on the Concert / Nick Cook regarding the Potluck.

## Christmas Tree Sales

The LSLC annual Christmas tree sales will start on **Friday, 25 November**. The trees will arrive mid-late morning; we will start selling as soon as the trees are unloaded.

Selling Christmas trees falls under the Social Ministry, but it has traditionally been run by the Men's Group. Selling is labor intensive. Ideally, there are two or more volunteers per shift, but we have sold with one volunteer (normally a weekday evening). Critical selling times are on the weekends. Weekend shifts are typically 2 hours. All members of LSLC are encouraged to volunteer.

In order to run an efficient operation, and spread the workload, **we need lead coordinators**. As a lead coordinator, you would ensure shifts during your week are staffed. Whoever closes the shift is responsible for counting donations and depositing the funds in our safe. Two people should sign the deposit sheet. If you cannot be a lead coordinator, please consider volunteering to work one or more shifts.

If you have any questions, please contact myself, Paul Gross, or Ric Weyrick.

## Advent Services

Wednesday night Advent Services will be November 30<sup>th</sup>, December 7<sup>th</sup> and December 14<sup>th</sup>.

**“A Service of Lessons and Carols”** will be held on the Fourth Sunday of Advent, December 18 at the 8:30 service

# Living Savior Preschool

The preschool students, staff and families have been enjoying getting to know each other during this new school year. Our school hours are from 9:15 a.m. to 1:15 p.m. Monday through Friday morning. We offer Stay 'N Play (SNP) which is our after-school program Tuesday through Thursday from 1:15-2:10 p.m. Preschool classes have been in session for one month already. The children are lovely and so happy to be together in the care of our loving and skilled staff.

We are excited about this new school year with all of the children and their families. We continue to enhance our program with new curriculum and ideas in order to enrich the children's experiences here at Living Savior. We are also blessed to have such a dedicated and wonderful Christian staff to work with from year to year.

One of our favorite family activities is the potluck dinner. This year the potluck dinner was held September 28<sup>th</sup> from 6:30 to 7:30 p.m. It was a wonderful opportunity for families to gather for the first time and enjoy some fellowship. We really appreciated the help from Betty Cook and Henni Froemke for helping us set up the event and decorate. We had a full house on that night

## Spaces Still Available

If you know of any families who are looking for a warm, positive, Christian preschool experience, we have a couple spaces still available in our three-year-old and our four-year old classrooms, as well as our PRE-K. We would be happy to answer any questions they may have about our school. They may call the preschool office at 703-352-4208 to set up a tour of the preschool or to speak with the director.

Feel free to email us at [preschoo@livingsaviorlutheran.org](mailto:preschoo@livingsaviorlutheran.org) for any information. We look forward to another great year with all of the children and their families.

## Midland Fundraiser

For the 2022-2023 school year, Living Savior Preschool is participating in the Midland Fundraiser. Midland will be our main fundraiser for this year. Midland is a fundraising company with a varied assortment of items to choose from including gift wrap, chocolates, house hold gadgets and personal items. The sale began early this month and runs until October 21, 2022. The preschool will receive 50% profit for all gift wrap orders and 45% profit on all other products with checks made payable to *Living Savior Preschool* by Friday, October 28th. Due to the generosity of the church and preschool families, our fundraisers have been very successful in the past. The profits from the fundraiser help support the many activities that our students enjoy. If you are interested in placing an order with Midland Fundraiser to help support the preschool, please look for the Midland packets in the Narthex or see the preschool office for a packet. You can also order online at <https://fundraisingshoppingcart.com/>

And use the seller code: **00574359** for our school to get the credit.

In addition to the Midland Fundraiser, Living Savior Preschool will be holding a Chipotle fundraiser on October 26<sup>th</sup> between the hours of 4-8 PM. Please mention our school or use the promo code P6V3GCG. You can order online through the app or go in person to the Chipotle at 5747 Burke Center Parkway. Thank you for supporting our preschool!
